Notes:

To ensure your ACH Origination Maintenance Request is processed promptly, please complete this form in its entirety and email it to **ACH_File_Maintenance@keybank.com** or fax it to 1-866-913-8052 by 3:00PM (EST). Requests received after 3:00PM (ET) will be processed on the next banking day.

To delete credit transaction(s), KeyBank must receive this form by 3:00PM (ET) three banking days prior to effective date.

To delete debit transaction(s), KeyBank must receive this form by 3:00PM (ET) two banking days prior to the effective date. If received according to these specifications, KeyBank will delete the transaction(s).

If the request falls outside of these specifications, KeyBank will delete the credit or debit item on a best effort basis. If unable to delete the desired transaction(s), KeyBank will complete a reversal.

Per NACHA Rules, reversals can be completed ***within five banking days of the original effective date***. KeyBank processes all file maintenance request forms as requested but cannot guarantee results as reversal requests may not be successful.

If you require additional assistance completing the ACH Origination Maintenance Request, please contact KeyBank ACH Operations at 1-800-304-9856 Option 5 or Commercial Banking Service Contact Center at 1-800-821-2829
