

## How to Un-Install Device Drivers

1. Select the following icon in the lower left corner on your Windows Start Menu.

2. Select "Control Panel".

3. Select:

Programs and Features

- 4. Find your specific scanner's driver program:
  - For example, Digital Check Teller Scan "Teller Scan 32-bit and 64-bit Combined Driver version 12.00"
  - Note: Each scanner will have its own name listed, starting with the brand name.
